

Want to go to university in the United States? It's possible!

Visit the EducationUSA Advising Center to learn about:

- How to find the right college for you
- Student visas
- Ways to fund your higher education
- College applications and entrance exams

The Center works with secondary and university students and conducts outreach programs to schools, colleges, universities, and other institutions across Sierra Leone. The EducationUSA Adviser also offers one-to-one advising to students at the Center. The Center is the research and reference service for U.S. higher education. The EducationUSA library contains over 100 volumes of reference materials on U.S. higher education, including financial aid, test preparation and essay-writing guides, and an extensive collection of DVDs and online resources designed for international students. It offers free Internet and limited printing services to students. The Center is open to high school students, undergraduate, and graduate students, as well as students pursuing professional education. Queries are welcome by telephone **(+23276515360)**, email **(kalokohA@state.gov)** or in person during office hours. Contact EducationUSA for help with your questions about U.S. higher education. EducationUSA helps you to make the best decisions about your future.

Days and hours of operation:

Mondays and Thursdays: **2:00 p.m. - 4:00 p.m.**

Individual advising sessions are encouraged on these days. Group sessions can be arranged on Mondays for a minimum of 20 students. Sign-In Sheets for group sessions are available at the security post. For more general information on studying in the US, see the following websites:
